

TERMS AND CONDITIONS

By downloading or using the program, these terms will automatically apply to you; therefore, you should be sure to read them carefully before using it.

The Sticker Fast WA for Pc program stores and processes the images you have provided to provide you with our Service directly on your device locally. Cloud processing is not ruled out in future versions to provide you with better functionality, in which case you will be informed. Certain links in the application will require the program to have an active Internet connection. With respect to Sticker Fast WA's liability for your use of the program, when you are using the program, it is important to note that while we strive to ensure that it is up to date it does not have automatic updates so if you wish to have a newer version you will need to download it directly. Sticker Fast WA accepts no responsibility for any damage you may experience on your device. The program is currently available on Microsoft, other systems are not tested.

Intellectual Property

The sticker packs and stickers created are the property of the person or entity that created them. Sticker Fast WA, Felipe Gomez or anyone else involved in the development of the application assumes no ownership or responsibility for the content created using the program. Anyone using the program agrees to use only their own photos, images or any graphic designs or those they have explicitly asked for written permission to use in this program or to create a sticker or sticker pack from it. By using the program, you agree that you are the owner and author of the sticker pack.

What is and is not allowed

Sexually explicit content such as pornography is not allowed. Age-restricted content is not allowed. You are not allowed to create stickers or any other digital content using this application that would in any way violate the law. We are not responsible for content created with this program.

Content

The program is not intended to create content that would in any way cause harm or violate local or international laws or policies. By using the program, you accept all responsibility.

User conduct

You must not misuse the Services or the Software. For example:

- share content or engage in behavior that violates the intellectual property rights of any person ("Intellectual Property Rights" means copyright, moral rights, trademark, trade dress, patent, trade secret, unfair competition, right of privacy, right of publicity and any other proprietary rights)
- upload or share any content that is unlawful, harmful, threatening, abusive, tortious, defamatory, libelous, slanderous, vulgar, lewd, lascivious, profane, invasive of another person's privacy, or hateful
